### **Statement of Understanding**

Please read the statements below, then sign and return this form along with the application to the address above if you want child support services.

I understand that a child support action will be started for my child, and that my cooperation with the child support agency is necessary. I understand that I must cooperate by

- appearing promptly as directed for court and other appointments,
- informing the child support agency of any changes in my address and phone number, and
- answering all questions truthfully and as completely as possible.

If I am receiving public assistance and fail to cooperate, I understand that the child support agency will notify the economic support agency. I understand that unless I have established good cause for not cooperating, I and/or my family will be ineligible for public assistance.

If I am not receiving public assistance and fail to cooperate, I understand that the child support agency will close my case and stop efforts to collect support for my child(ren).

I understand that the child support attorney who appears at a child support hearing represents the Red Cliff Tribe, not individual parents. Child support services provided by this attorney do not create an attorney-client relationship. I understand that the interests of the Red Cliff Tribe, the child(ren) for whom support is sought, and the parents are not necessarily the same and may be in conflict. I understand that the child support agency staff cannot become involved in disputes over child custody or physical placement (visitation), and cannot offer me legal advice. I understand that if I want legal advice, I should consult a private attorney.

I hereby acknowledge that I have read and understand this information.
